**(See next side)**

## Add-Ons

- ☐ De-shed Treatment (0-50lbs, \$20)
- ☐ De-shed Treatment (51-100lbs, \$30)
- ☐ De-shed Treatment (Over 100lbs, \$40)  
((The process of during and after bathing to get rid of excess shedding and stuck undercoat. Significantly reduces shedding on pets.))
- ☐ Nail Dremel (\$12) ((To shorten and round out nails after trimming.))
- ☐ Teeth Brushing (\$12)
- ☐ Medicated Shampoo (\$10) ((Any prescription shampoo))
- ☐ Woof Me Up (\$28) Upgraded Shampoo, Conditioner, Nail Buff and Teeth Brushing all in one package addition to basic services.
- ☐ Face, Feet, Fanny Trim (\$15) ((if NOT getting a full haircut. Just trimming around the eyes, sanitary, paw pads, and neatening the fur around the feet.))
- ☐ Specialty Haircuts (\$15 per 15 mins) ((Breed specific and more))

## Not Needing a Bath? Try our **Mini Spa Day (\$35)**

((Comes with Nail Trimming, Nail Buffing, Teeth Brushing, and Ear Cleaning ONLY.))

**Please list any information about your pet. (Behavioral, medical concerns, etc.)**

---

**Can your pet have treats? Do they have any food sensitivities?**

---

**Has your pet taken medications today? What medication and what time was it given?**

---

- To allow for the best grooming experience and for plenty of breaks and potty breaks for the pets, timing is not guaranteed. If needing to have your pet done by a certain time please let us know! Latest pickup time is 5:30pm. Initials
- If your pet has matting that is too severe to brush out. We are required to shave it out. To safely remove matting, we have to shave UNDER the mats. I understand the length is not guaranteed and the fees may be applied. Initials
- Any live fleas or ticks found, your pet will be treated and I will pay for the treatment. Initials    X
- If patient has a skin/ear infection, do you permit a Dr. to exam and treat while grooming? Exam fee: \$75 Ear Cytology: \$29.99 Initials
