Add-Ons:

- ☐ **De-shed Treatment** (0-50lbs, $25)
- ☐ **De-shed Treatment** (51-100lbs, $35)
- ☐ **De-shed Treatment** (Over 100lbs, $50)
  ((The process of during and after bathing to get rid of excess shedding and stuck undercoat. Significantly reduces shedding on pets.))
- ☐ **Nail Dremel ONLY** ($15) *((To shorten and round out nails after trimming.))*
- ☐ **Nail trim w/ Dremel** ($30) *((To shorten and round out nails after trimming.))*
- ☐ **Teeth Brushing** ($12)
- ☐ **Medicated Shampoo** ($10) *((Any prescription shampoo))*
- ☐ **Face, Feet, Fanny Trim** ($12) *((If NOT getting a full haircut. Just trimming around the eyes, sanitary, paw pads, and neatening the fur around the feet.))*
- ☐ **Shave/Brush out/Scissor Fee** ($20 Per 15 minutes)

Please list any information about your pet. (Behavioral, medical concerns, etc.)

_____

Does your pet have any food sensitivities?

_____

Has your pet taken medications today? If so, what medication and what time was it given?

_____

- If your pet has matting that is too severe to brush out. We are required to shave it out. To safely remove matting, we have to shave UNDER the mats. I understand that length is not guaranteed and that fees may be applied. **Initials** _____
- If any live fleas or ticks are found, your pet will be treated and I will pay for treatment. **Initials** __XX__
- If the pet has a skin/ear infection, do you permit a doctor to examine and treat while grooming? Exam Fee: $75 Ear Cytology: $29.99 **Initials**_____
